

# Our Lady of Lourdes Senior School Newsletter Term 4 2017

The year has just flown by!! Last term we were extremely successful on the sporting field winning the Manawatu Ki O Rahi tournament, the touch at the Catholic Schools' tournament and our basketball grade!! We'll be looking to transfer this excellence into the classroom with all the testing we will be doing!! Here's what's happening this term!!

## Religious Education

The term will begin with the Rosary. We will then study The Communion of Saints before turning our attention to Advent/Christmas. Senior Syndicate Mass is planned for week five. Graduation Mass is Wednesday 13th December.

## Inquiry

Hauora or Health is the focus with Keeping Ourselves Safe and Sun Smart being the topics.

## Literacy

We will be writing character descriptions. Comprehension, inference, reorganisation, evaluation and oral fluency will be the targets in reading.

## Maths

Place value, number strategies, geometry and statistics are our areas of study.

## PE

Athletics, table tennis and small ball skills and games will be covered if the weather improves!!!

## Camp Parents

We had an overwhelming response, the most we've ever had. Unfortunately we can only take five, so the names were pulled out of a hat. Thanks to all of those who offered. Those successful were John Worsley, Grant Jensen, Nick Wilson, Maria Amey and Mark Gilbert. Apologies to all those who missed out.

## Reminders

- Summer uniform and sun hats are back this term.
- Found property is located in a green box just outside the admin door to the courtyard.
- School photos are on Wednesday 8th November.
- End of Year Assembly is at 12pm on Thursday 14th December.
